

Gambling Authority — Responsible Gambling Portal

SANDBOX SAMPLE DOCUMENT

This PDF is dummy content for development and QA only. It is **not** an official Gambling Authority publication or legal instrument.

Gambling Prevalence Study — Botswana 2024

A comprehensive national survey tracking demographic participation, risk markers, and early problem-gambling behaviours across urban and rural municipalities.

Intended use: verify that Knowledge Hub download links serve *application/pdf* successfully on the sandbox environment (*rgapp.bw-reg-sandbox.net*). Editors should replace this file via CMS with the official publication when available.

For help with gambling harm in Botswana, call the national helpline **19777** (free, confidential, 24/7).
