Understanding Problem Gambling: Signs, Risks, and Where to Find Help

Intended use: verify that Knowledge Hub download links serve *application/pdf* successfully on the sandbox environment (*rgapp.bw-reg-sandbox.net*).

Do not overwrite this stub with a real document. Knowledge Hub resource files sit in a world-readable directory, so anything attached here is downloadable by anyone with the link. Official publications must be uploaded in the CMS under *Documents* and filed in a collection — the *Public — Publications* collection for material cleared for release, and *Restricted — Internal* for anything else. Confidential or personal-data documents must never be attached to a Knowledge Hub resource.

For help with gambling harm in Botswana, call the national helpline **19777** (free, confidential, 24/7).
